ABOUT COCO CHIPS

Coco Chips are premium quality, 100% natural coconut husk chips processed to perfection and compressed into a 5 KG block. High EC (Unwashed) chips retain natural salts and nutrients, making them ideal for a wide range of horticultural and landscaping applications.

KEY ADVANTAGES

100% NATURAL

Made from pure coconut husk.
Chemical free and eco friendly.

EXCELLENT WATER RETENTION

Retains moisture for longer periods
and reduces watering frequency.

PROMOTES HEALTHY GROWTH

Improves aeration and drainage
for stronger root development.

REUSABLE & LONG LASTING

Durable and can be reused
for multiple growing cycles.

CONSISTENT QUALITY

Uniform chip size and high
compression for easy handling.

WIDE APPLICATION

Suitable for a variety of plants
and growing systems.

NATURAL CHOICE FOR HEALTHY PLANTS

Coco Chips create the perfect growing
environment by balancing water retention,
aeration and drainage.

Better Roots. Better Growth. Better Yield.
